“ To Dorothy and his family. Please accept my sincere condolences on the loss of Albert. I met him when I joined the Board of SCAPD in 2006. He was a kind, committed board member who was a mentor to many of us. He spoke highly of his family and he was a strong advocate for accessibility. I am honoured to have known him. May Albert RIP and may you cherish the memories you have.
Respectfully,
Kim Simpson

“ Dear Dorothy and Family... I'm very sorry for your loss. Albert was an inspiring individual with a lot of passion and empathy. Hoping you can celebrate his life and the memories he created. As a fellow CGA, we were proud of our Designations and the opportunities it created for our careers. I am in Niagara Falls this weekend... so I apologize as I will miss the funeral service. My thoughts and prayers go out to you...

“ My sincere condolences to your family Dorothy.
Albert was an inspirational man devoted to his community. Without his dedication much of the Accessibility awareness and real changes in our community would not have happened.
I learned from his insight as we started Barries first municipal Accessibility together with other good people. I shall miss him.
Sincerely
Patricia Copeland

“ Dear Dorothy, Tracy, Jamie, Rose and Andrew,

It is with deep heartfelt sympathy that we offer our sincere condolences on the loss of Albert. We will miss him as will many others who have come to know him. From the time we have known Albert, we can recall many fond memories that will always be with us for years to come. Memories of friendly conversation, swapping stories of the good old days at the dinner table in your homes and afterwards in a spirited game of Toc. Special times such as Christmas, Birthdays, Father's Day, Mother's Day all provided pleasant opportunities to be together as family. The Oro car show was a favorite with the boys who shared a common interest in the golden oldies on display. Rest in peace Albert. We are all the better for having known you.

“ My deepest condolences to Dorothy and Family. The world has lost a great man. I was honoured to assist him every day this last year as his PSW, he will forever be missed by myself and my children who also had the privilege of meeting him a few times. I will miss his kind and gentle personality, joking with him, as well as his stubbornness, he will forever remain in my heart.

“ Albert was an inspiration to all who met him. He never let his disability get in his way of being successful both in business and family. Albert never expected anything less of himself than his able bodied counterparts; and sometimes we were left to believe his abilities were no different than ours. The smile of a mighty soldier was never an effort! God bless and keep you in heaven with no pain or suffering. All my love and prayers - your cousin Yvonne
