January 31, 2021

September 2, 1938 – January 31, 2021

In her 83rd year. Predeceased by her parents, Marguerite and James Wilfred Johnston, by her husband Eugene (Denny) and her beloved daughter Sandra. Survived by her sister Sharman (Robin), and her sons Kevin (Stephanie), Darren (Cindy), and her grandchildren Caitlyn, Tessa and Josh. Carol passed quietly in her sleep after a brave battle and a brief illness.

Born in Owen Sound, and raised in Collingwood and Barrie, Carol finished top of her graduating class of Royal Victoria nursing college in 1960. She proudly served as a birthing unit nurse and delivered more than 100 babies before leaving the profession to raise her own family. Her compassion and empathy for others continued throughout her life, always available to lend a helping hand to friends and neighbors in need. Once a nurse, always a nurse.

A lover of bridge and wine. Often at the same time.

A whizz in the kitchen who always had an inventory of pies, cakes, and cookies on hand to share with friend, family and neighbours.

Loyal and dedicated to friends and family alike she will be missed by all that knew her.

In keeping with her wishes, a private family service will take place. Funeral Arrangements entrusted to the Steckley-Gooderham Funeral Home, 30 Worsley St., Barrie. “ Her and Denny were so kind and generous. They loved sitting out front of their home and giving all the dog passer bys dog treats. It became known as the Pet Stop. Danny had a list of every dog name, breed and their humans name as they stopped for treats. My Meeks if unleashed heads right to their house as we passed by. Carol lived to share with me stories of her nursing career because she knew I to was a nurse at RVH. I remember one day the last summer she lived on our street she walked up to my house and knocked at my door, she was concerned because she hadn't seen me walk by in a couple of days.... Such a caring wonderful lady. I am deeply sorry for your families loss. ♡

“ Aunt Carol...

You were always my favourite. I used to love watching you cook our families huge meals during special occasions.

You blessed me with my love of Brussel sprouts, that I still enjoy to this day; today more than ever.

Do you remember when your oven broke down because the turkey was to big? I do...

I won't ever forget spending time with you and, uncle Denny, along with Kevin, Darren, and Sandra during the holidays, I won't ever forget that.

I will never forget you, I love you.

“ All through high school and well beyond, I just called her "mom" - because that was the way she welcomed me and treated me. Quick to congratulate me when I did good and even quicker to let me know when I screwed up!
Rest in Peace... you will be greatly missed.
