“ Hope your life in heaven is better than it was on earth. Sue, Ted & Jason.

**Sue Pallister** - April 03, 2018 at 09:19 PM

“ I loved her so much as a child. She was as much of a mother to me if not better than my own. The things my father and grand father did to her only a survivor and saint would live through. I'm glad I got to see her and spent time with her in 2011 even if just brief. Grandma you kept me safe from a monster and you made my childhood better. I will never forget you.
