“ Dear Bonny and Family: We were so very sorry to hear that our good friend Mac had passed away. I'm from the Orange Valley Hunt Club and had the privilage of hunting with Mac and having a few laughs, swapping hunting stories every moose and deer season since 1983. We will never forget the good times we all had together, and it won't be the same without Mac. Our Deepest Heartfelt Sympathy to you and your family. Kevin Fischer

“ Dear Family, We have enjoyed many years with Mac and Bonny and family up at the Orange Valley Rd . We just recently found out about Mac's sudden passing and want to extend our heartfelt thoughts and prayers to you Bonny, Jennifer and Craig, Lindsay and Bill and families. He will be greatly missed. We enjoyed so many moose and deer seasons and the best corn roasts ever! Our children have fond memories of the air hockey, camp fires and so much more. It was always a memorable time seeing everyone. The woods will not be the same this fall as Mac was part of nature and part of the landscape. May you find the strength , courage and peace to carry you through the days and weeks to come. God Bless you. Gerry, Joan, Jeremy, Maeghan, and Joshua Willms. John and Linda Willms

“ I met Mac, in summer of 1983, when I was looking for goat's milk, and the fun began!!! Mac became my "boyfriend" as many people would have it, Our 4 years in Base Borden, Bonnie and Mac always welcomed Jerry and me with 3 children and then 2 more. Mac was more than a boyfriend, brother, he was the "true friend" that anyone would wish to have, and often would never meet in a lifetime. We had the pleasure of Mac and Bonnie visiting the East Coast for 3 weeks just this past month, and a funny comment he mentioned after we camped," how many men get to sleep with their wife and girlfriend in the same tent" Mac, we have been so blessed to have met you and shared so many times in the last 27 years, will forever love you and miss you, Jerry and Dina Samson, Nova Scotia

“ I am Malcolm's first cousin. I remember him as Malcolm because that is what his mother called him. I knew him a little as a child but my family and I moved to Labrador when I was thirteen. Consequently, we didn't get to know him growing up. As an adult, when I moved back to Ontario, I nervously looked up Bonnie and Mac. They accepted me with open arms and Malcolm really took the time to get to know me. Not many people do that these days; but family was everything to both Mac and Bonnie. Bonnie, Mac and I went camping (big snakes, really big snakes). Malcolm also took me canoeing with the Barrie Canoe club for a day. We canoed the Black River with 10 or 11 others. He knew I wanted to go and that I didn't have anyone to go with. Mac loved garage sales and had a marble collection. He always loved bargains and windmills, and old barns. I will miss him very much.

“ Mac will be fondly remembered by my daughter Taylor and I as the smiling 'character' he was. Mac taught me many things through my years involved with the Campbell family. He taught me it was ok to be yourself, to remember to laugh often and that family is the most important thing in life, ever ! He will be sadly missed during the many holidays (Mexico included) and celebrations in the coming years but I know he will be there in spirit!. Mac, you are forever in our hearts, our minds and all of our lives were much richer having known you! I smile knowing the spirit you are bringing heaven right now! I have very fond memories of your trip out west to stop in over night to visit me....and our fun evening of laughter! Something I will always treasure!

Much love to Bonny, Jennifer, Craig, Blake, Logan, Jennifer and Bill! xoxo
