“ I knew Mrs. Foster at St. Joe's and always welcomed her big smile when my family arrived for Mass at St. Mary's. Our condolences and prayers,

“ I first got to know Ms. Foster when I was a high school student at St. Joe's. She was the main secretary and if you had a question as to what was happening in the school she was the one to ask. She also took the time to get to know all different types of students and that spoke to her character as a person. I got to know Rita when I became a teacher and became good friends with her son Martin. Every time I saw her no matter how long the length of time was, she would always ask you how you and your family were doing and what was new in your life. She was a very genuine and caring lady. Rest in peace, you will be missed.

“ When I think of working with Rita at St. Joe's, I think of the many good times we had. Her sense of humour always made us laugh and she was always there with a cup of tea for us at morning break! May the many memories you have of your dear mom help you at this time Martin. Our prayers are with you. God bless you. Bev and Mike Patrick

“ When I think of Rita it brings such a wonderful feeling to my heart. Her love of her family, chocolate, wee bit of tea. She had such a wonderful sense of humour. I am so glad that she came into my life. She was so proud of you Martin, the son that you were and the man you have become. Love Sharron xo
