“ RIP big guy. You always showed me so much love and respect and you are a beautiful soul. You will be missed and never forgotten. My most heartfelt condolences to family and my sister who is missing the "Big Guy" so much. In time you will heal but there will always be a corner in the heart will never stop missing you. Love to all.

“ How do I go on? Wayne was the love of my life! He waited over 30 years for me. He was my soulmate! I miss him every moment. He was my knight and shining armour and my best friend. He gave me hope! Wayne and I dated over 30 years ago and got back together so many years later. I will never get over his passing and my heart will mourn forever. I am at the lowest point and can't see thru my situation. I have to believe that he is standing by my side and will help me with the situations I am in and make sure that I am ok! But I have lost faith! How can he be taken away from everyone who loved him? Life is so unfair sometimes! I miss you so much my love. Domenic and I are really struggling! You made our lives so complete. You are the most amazing man and I am so grateful that I had the chance to love you for a short while but you will be in my heart forever. I never thought this would hurt like this. It's unbearable. I miss you and love you so very much! Please watch over me and guide me. Keep me strong. I love you!

“ Oh boy how do you share memories of someone you've known since they were like 9. When Lorne and Wayne were old enough they used to babysit my boys, I used to babysit their little sister Sharon and cousins. Wayne even went out with my niece at one point so we could have become relatives lol. I used to tease him about that all the time, and he used to say what do ya mean were family anyway, which is how he made you feel all the Biladeaus did, words can't express the sorrow I feel for not only Doris and Laura but all the family and to all of us he left behind, but we will all meet again someday of that I am sure so this isn't goodbye Wayne but only until we meet again. God Speed and may the Angels carry you gently on their wings. With love. Raymond and Sheryl Boucher and family.
